Phone: 216-291-0108

Dear Parents,

UNIVERSITY SUBURBAN SPORTS MEDICINE CENTER will be offering pre-participation sports physicals on **July 19, 2008**. We offer these exams one time a year and they are valid for one full calendar year. These exams comply with OHSAA regulations requiring yearly physical exams for students who wish to participate in scholastic or parochial athletic programs. The evaluation process consists of a physical exam, performed by a physician, followed by the assessment of strength and flexibility.

Your School's assigned time is 8:30 A.M. Please allow approximately 60-90 minutes for the completion of this detailed examination. This sports physical is offered at a cost of **\$10.00** per athlete and will be collected at the door prior to the exam.

The State has issued new forms for these exams, which include a full page of medical history. Please review the history portion with your child prior to exam and include parent signature. **Forms are invalid without parent signature.** These forms are available in your school's athletic department or from your child's coach. There will be forms available the day of exam but please be prepared to fill out the medical history before your child can begin.

On exam day, please have your child **dress in gym clothes**. Registration will close at 11:00 A.M., so please be prompt. Due to the large number of volunteers involved in the examination process, **there will be no make-up dates.**

The address for the physicals is: **UNIVERSITY SUBURBAN SPORTS MEDICINE**
1611 SOUTH GREEN RD. #036
SOUTH EUCLID, OHIO 44121

NOTE: THIS IS AN EXAMINATION FOR SPORTS PARTICIPATION AND DOES NOT TAKE THE PLACE OF A YEARLY MEDICAL PHYSICAL BY YOUR FAMILY DOCTOR, NOR IS IT ACCEPTABLE AS A WORK PHYSICAL.

Thank you,

Donald B. Goodfellow, M.D.
Medical Director

Maureen P. Sizemore ATC, EMT-B.
Director of Athletic Training
