

We Are Benedictine

Senior Ben Patterson has signed a letter of intent to Ohio Dominican University in Columbus, Ohio. ODU head football coach, Dale Carlson, is quoted as saying, "Ben is tough nosed, tenacious football player from an excellent high school football program. Our coaching staff liked how hard Ben played on tape. We see him developing into an outstanding college football player. Ben will do well academically as he has had excellent preparation for college at Benedictine High School." Congratulations to Ben and his family for his outstanding performance.
