

The Men of Benedictine Helping Women of the World have been trying to help battered women here in Cleveland and female entrepreneurs in developing countries.

Now we invite the women of the Men of Benedictine to a Mothers Day Luncheon to show our appreciation for the women in our lives. We will also have a 50/50 raffle.

Then you the Women of Benedictine will take the money we have raised and have the opportunity to give this money to female entrepreneurs on Kiva.org.
